The Voice of Outliers & Overcomers

A Masterful Messenger & Unique Real Life Experiential Expert

ABOUT VIPP

Vipp is a globally experienced C-Suite advisor, ex-hostage negotiator, entrepreneur, author, radio show host and 'Mr. Fixer'. In a world flowing with thought leaders and speakers, Vipp stands out because he brings his robust, real life global experience to organizations and governments with an action-leadership approach that produces desired results.

Vipp's speaking style is distinctively unique from the moment he appears on screen in a virtual setting to the moment he steps on stage in front of a live audience. His attention to screen and stage craft captures the attention of the audience who remain engaged, enlightened and entertained.

Audiences never depart empty-handed because Vipp always provides them with a 3-step action plan along with his tagline, "Do try this at home!" He is one of the few speakers that is frequently asked to return because audiences love what he says, how he says it and how they can apply it.

Vipp's speaking engagements have taken him from Cheyenne to China, delivering a positive impact on people's professional and personal lives.
